co.linkedin.com/in/jeferson-morillo-2a931b368

I build software you use on your wrist, with a controller in hand or in front of an audience: Wear OS, Android, Flutter and web.

EDUCATION

Software Engineering 2024 — Present
Universidad Cooperativa de Colombia · Currently studying · 5th semester

Course: Introduction to Cybersecurity Apr 2025
Cisco Networking Academy

Course: Networking Devices and Initial Configuration Apr 2025
Universidad Nacional Abierta y a Distancia (UNAD), via Cisco Networking Academy

PROJECTS

Voxara — Noise dosimeter for Wear OS watches that looks after your hearing. Wear OS, Android
Jetpack Compose · Compose for Wear OS · Material 3 · Wearable Data Layer API · Wear OS Tiles · DeepSeek API · Android Studio · github.com/jefer02/Voxara

Sotto — Desktop assistant for live presentations: a teleprompter that follows your voice. Windows, macOS, Linux (experimental)
Flutter · Riverpod · go_router · Hive CE · sherpa-onnx · DeepSeek API · github.com/jefer02/Sotto · github.com/jefer02/Sotto/releases/tag/v1.0.0

Elyndra — Android game launcher with a console experience, designed for controllers. Android
Jetpack Compose · Material 3 · ML Kit · DeepSeek API · Android Studio · github.com/jefer02/Elyndra · elyndra-website.jefer02.workers.dev/

LAAF — Third-person survival horror made in Godot, with the fog of PS2 classics. Windows
Lead developer (149 of the repository's 158 commits).
Team project with Juan17la. Team repository: Juan17la/laaf_game.
Godot · github.com/Juan17la/laaf_game

AloMedia — In-browser video editor with local WebAssembly rendering. Team project. Web
Team project by Juan17la, CamiloParraS and Jeferson Morillo. Original repositories by Juan17la.
React · Tailwind CSS · Spring Boot · Spring Data JPA · PostgreSQL · Liquibase · Git and GitHub · github.com/Juan17la/AloMediaReact · alo-media.vercel.app

FRAMEWORKS, LIBRARIES AND TOOLS

Web interfaces	Next.js · React · Tailwind CSS · Vite
Backend and data	Spring Boot · Spring Data JPA · PostgreSQL · Liquibase
Native interfaces	Jetpack Compose · Compose for Wear OS · Material 3 · Flutter
State, data and routing	Riverpod · go_router · Hive CE · Wearable Data Layer API · Wear OS Tiles
3D worlds and motion	Godot · Three.js · React Three Fiber · GSAP
Artificial intelligence	DeepSeek API · ML Kit · sherpa-onnx
Tools	Git and GitHub · Android Studio · Vitest · Vercel

LANGUAGES

Spanish: Native language. · English: Advanced: I read and write technical documentation and communicate fluently.
